Understand Your Strengths and Interests

- Strengths
- Interests
- Values
- Short Summary

Understanding Your Results

Reflection Prompts for Career Alignment

Reflect on how your **strengths, interests,** and values connect with potential career options.

Consider what insights surprised you during this self-assessment and how they might influence your decisions.

Step 2: Career Research

01 Job Duties

What does a typical day look like for professionals in this field? Consider daily tasks and responsibilities.

02 Required Education and Training

What qualifications are needed to enter this career? Explore necessary degrees, certifications, or training programs.

03 Salary Expectations

What is the earning potential and career progression? Review salary ranges and growth opportunities in this field.

Expert Panel Reflection

Insights from Professionals

01 Key Takeaways

Experts emphasized the importance of networking and gaining hands-on experience in your chosen field.

02 Surprising Paths

Many panelists mentioned careers in emerging industries that students hadn't previously considered or explored.

03 Connecting with Professionals

Utilize LinkedIn and local events to network, and seek out informational interviews for real-world insights.

Deeper Reflection

Connecting the Dots of Discovery

Consider the insights gained from your self-assessment and career research. Identify **emerging themes** or clusters that resonate with your strengths and interests as you plan your future.

Career Comparison Worksheet

Instructions: Use this worksheet to compare 2–3 career options. Use information from your self-assessment, career research, and expert interviews. Complete all sections in complete sentences or clear phrases. This worksheet will help you decide which career best fits you.

	Career Option 1	Career Option 2	Career Option 3
Job Title			
Interest Level (1-5)			
Education/Training Required			
Daily Tasks/Responsibilities			
Skills Needed			
Salary Range			
Pros			
Cos			
Support and Resources I will need			

Reflections:

1. Which career option fits you best and why?
2. How did your strengths and interests influence your decision?
3. What is one next step you can take toward this career?

Step 3: Compare Careers

Weighing Your Choices for Future Opportunities

Evaluate your top career options side-by-side, considering fit and training requirements.

Career Exploration Reflection Worksheet

Instructions: After watching the career interviews, take time to reflect on your thoughts, reactions, and insights. Use complete sentences and be as specific as possible. This reflection will help you connect your interests, strengths, and goals to real-world career possibilities.

1. What did you learn from the interviews?

Think about job roles, responsibilities, skills, and training. What stood out as important or unexpected?

2. What surprised you? Did anything challenge your assumptions about a career? Was there a moment that made you think differently?

3. What inspired you? Was there a person, story, or skill that made you feel interested or excited? Why did it matter to you?

4. How does this connect to your own interests or goals? Explain how what you learned connects to your strengths, interests, values, or plans.

5. What is one action you will take next? Describe one realistic next step you can take to explore or prepare for this career further. _____

Choose Your Best Fit

01 Justification Criteria

This career path aligns with my **unique strengths** and interests, making it a natural fit for me.

02 Future Outlook

I expect strong growth and **opportunities** in this field, ensuring a promising future and career advancement.

03 Personal Goals

This choice directly supports my **aspirations** for a fulfilling life, integrating my values and ambitions seamlessly.

Immediate Steps

Conduct informational interviews with professionals in your field.

Short-Term Goals

Explore specific courses or certifications that align with interests.

Long-Term Objectives

Apply for internships to gain hands-on experience in careers.

Resources Needed

Identify mentors and useful websites for career guidance.

Your Pathway is Clear

You've explored, researched,
compared, and planned your future
career steps.
